

## EQUIPPING LEADERS FOR LASTING IMPACT

JL Hinds Consulting offers tailored professional development and support for school and district leaders. We specialize in refining leadership skills, enhancing instructional practices, fostering family and community engagement, and building data-driven systems for continuous school improvement.

### Professional Development

We will work with your campus and/or central office teams to foster growth.

### Leadership Coaching

Our Leadership Coaching provides personalized support for educational leaders aiming to maximize their impact.

### Data Analysis

We will help you pull data, analyze it, and then give instructional adjustment suggestions.

## On-Site and Virtual

## LEADERSHIP DEVELOPMENT

FREE

### NEEDS ASSESSMENT

We offer a complimentary assessment of your campus leaders' strengths and areas of need through a virtual interview process.

VIP

### TRAINING

We will design and provide exclusive, invite-only workshops for your top leaders. You can invite neighboring districts to share the cost.

PILOT

### SESSION FOR ONE CAMPUS

We will perform a free day of service for one campus so that you can see our process before you commit to a contract.

FREE

### BUILDING THE BENCH

With a minimum number of service days, we offer complimentary evening sessions to build up your future leaders so that you have a strong team ready to step up when needed.
